

Ascension's "ElevateEd Partnership™" Program

Empowering Employees. Elevating Businesses.

About the Program

The Ascension **ElevateEd Partnership** program is a strategic corporate partnership initiative designed to help businesses invest in their employees by funding professional certificate programs through **Ascension Online College**. This program enables companies to upskill their workforce, improve employee retention, and drive organizational success while providing employees with affordable, flexible, and high-quality education.

Why Partner with Ascension Online College?

- ✓ **Affordable & Flexible Education** – 100% online, self-paced certificate programs designed to fit around work schedules.
- ✓ **Industry-Relevant Training** – Programs aligned with in-demand skills to help employees excel in their roles.
- ✓ **Talent Retention & Growth** – Enhance employee satisfaction, reduce turnover, and create internal growth opportunities.
- ✓ **Customizable Learning Plans** – Tailored education solutions that align with your company's workforce development needs.

How It Works

1. **Corporate Enrollment** – Companies partner with Ascension Online College to sponsor employees for certificate programs.
2. **Customized Learning Pathways** – Employers select relevant certificate programs based on business needs.
3. **Employee Participation** – Employees enroll, complete coursework, and apply their new skills in real-time.
4. **Ongoing Support & ROI Tracking** – Employers receive progress reports and insights on workforce development impact.
