

Leadership Profile

Dr. Tonya Cannon is the visionary founder of Ascension Online College, an institution dedicated to providing affordable, high-quality, and accessible education to students worldwide. With a distinguished career in academia and leadership, Dr. Cannon has spent over two decades championing innovative learning solutions and expanding educational opportunities for diverse communities.

Driven by a passion for empowering learners, Dr. Cannon established Ascension Online College to bridge the gap between affordability and excellence in education. Under her leadership, the college has developed a robust suite of graduate and undergraduate certificate programs designed to equip students with practical skills and knowledge for success in today's competitive workforce.

Dr. Cannon holds advanced degrees in education and leadership, complemented by extensive experience in curriculum design, online learning, and academic administration. Her commitment to fostering a supportive, learner-centered environment has earned her recognition as a trailblazer in the field of online education.

As the founder of Ascension Online College, Dr. Cannon continues to inspire innovation, collaboration, and growth, ensuring the institution remains a beacon of opportunity for students seeking to transform their lives through education.
