

Advisor Profile

Donald Francis brings over 20 years of extensive experience in the field of information technology to the Advisory Board of Ascension Online College. Throughout his career, Donald has held leadership roles across diverse sectors, where he has demonstrated expertise in IT infrastructure, cybersecurity, digital transformation, and strategic technology planning.

As a forward-thinking professional, Donald has successfully implemented innovative solutions that enhance operational efficiency and drive

organizational growth. His commitment to leveraging technology for educational advancement aligns seamlessly with Ascension Online College's mission to provide affordable, high-quality, and accessible learning opportunities.

In his role as an Advisory Board Member, Donald offers valuable insights into the integration of cutting-edge technology into the college's academic programs and operations. His guidance helps ensure that Ascension Online College remains at the forefront of digital education, preparing students with the skills needed to excel in today's technology-driven landscape.

Donald's passion for empowering learners and his dedication to lifelong learning make him an invaluable asset to the Advisory Board and the broader college community.
